**Our mission is to create
the conditions of success for
builders, entrepreneurs and
developers, to thrive in the XRPL
ecosystem.**

Learn

The learning curve for Blockchain is steep. It's better to be supported whether you have tech or business roles.

Build

Our in-house residency and hackathons offer builders a playground for invention.

Launch

Accelerate your project at the Aquarium Residency, where developers and entrepreneurs transform ideas into reality.

Adopt

Blockchain integration for corporations and large institutions with tailored support and resources.

Engage

Meetups, podcasts, our Community Magazine and news on our socials unite the XRPL ecosystem.
